4. Social media

Facebook plugins (Like & Share buttons)

Our website includes plugins for the social network Facebook, Facebook Inc., 1 Hacker Way, Menlo Park, California 94025, USA. The Facebook plugins can be recognized by the Facebook logo or the Like button on our site. For an overview of Facebook plugins, see <https://developers.facebook.com/docs/plugins/>.

When you visit our site, a direct connection between your browser and the Facebook server is established via the plugin. This enables Facebook to receive information that you have visited our site from your IP address. If you click on the Facebook "Like button" while you are logged into your Facebook account, you can link the content of our site to your Facebook profile. This allows Facebook to associate visits to our site with your user account. Please note that, as the operator of this site, we have no knowledge of the content of the data transmitted to Facebook or of how Facebook uses these data. For more information, please see Facebook's privacy policy at <https://de-de.facebook.com/policy.php>.

If you do not want Facebook to associate your visit to our site with your Facebook account, please log out of your Facebook account.

Google+ plugin

Our pages use Google+ functions. It is operated by Google Inc., 1600 Amphitheatre Parkway, Mountain View, CA 94043, USA.

Collection and disclosure of information: Using the Google +1 button allows you to publish information worldwide. By means of the Google+ button, you and other users can receive custom content from Google and our partners. Google stores both the fact that you have +1'd a piece of content and information about the page you were viewing when you clicked +1. Your +1 can be displayed together with your profile name and photo in Google services, for example in search results or in your Google profile, or in other places on websites and advertisements on the Internet.

Google records information about your +1 activities to improve Google services for you and others. To use the Google + button, you need a globally visible, public Google profile that must contain at least the name chosen for the profile. This name is used by all Google services. In some cases, this name may also replace a different name that you have used to share content via your Google account. The identity of your Google profile can be shown to users who know your email address or other information that can identify you.

Use of collected data: In addition to the uses mentioned above, the information you provide is used in accordance with the applicable Google data protection policies. Google may publish summary statistics about users' +1 activity or share it with users and partners, such as publishers, advertisers, or affiliate websites.

When you visit a page containing the Pinterest social plugin, your browser establishes a direct connection to the Pinterest servers. The plugin transmits this log data to Pinterest servers in the United States. This log data may include your IP address, the address of the websites visited, which also includes Pinterest features, browser type and settings, the date and time of the request, how you use Pinterest, and cookies.

More information about the purpose, scope and further processing and use of data by Pinterest, as well as your rights and options to protect your privacy, can be found in the privacy notices of Pinterest: <https://about.pinterest.com/de/privacy-policy>.

5. Analytics and advertising

Google Analytics

This website uses Google Analytics, a web analytics service. It is operated by Google Inc., 1600 Amphitheatre Parkway, Mountain View, CA 94043, USA.

Google Analytics uses so-called "cookies". These are text files that are stored on your computer and that allow an analysis of the use of the website by you. The information generated by the cookie about your use of this website is usually transmitted to a Google server in the USA and stored there.

Google Analytics cookies are stored based on Art. 6 (1) (f) GDPR. The website operator has a legitimate interest in analyzing user behavior to optimize both its website and its advertising.

IP anonymization

We have activated the IP anonymization feature on this website. Your IP address will be shortened by Google within the European Union or other parties to the Agreement on the European Economic Area prior to transmission to the United States. Only in exceptional cases is the full IP address sent to a Google server in the US and shortened there. Google will use this information on behalf of the operator of this website to evaluate your use of the website, to compile reports on website activity, and to provide other services regarding website activity and Internet usage for the website operator. The IP address transmitted by your browser as part of Google Analytics will not be merged with any other data held by Google.

Browser plugin

You can prevent these cookies being stored by selecting the appropriate settings in your browser. However, we wish to point out that doing so may mean you will not be able to enjoy the full functionality of this website. You can also prevent the data generated by cookies about your use of the website (incl. your IP address) from being passed to Google, and the processing of these data by Google, by downloading and installing the browser plugin available at the following link: <https://tools.google.com/dlpage/gaoptout?hl=en>.

Objecting to the collection of data

You can prevent the collection of your data by Google Analytics by clicking on the following link. An opt-out cookie will be set to prevent your data from being collected on future visits to this site: [Disable Google Analytics](#).

Outsourced data processing

We have entered into an agreement with Google for the outsourcing of our data processing and fully implement the strict requirements of the German data protection authorities when using Google Analytics.

Demographic data collection by Google Analytics

This website uses Google Analytics' demographic features. This allows reports to be generated containing statements about the age, gender, and interests of site visitors. This data comes from interest-based advertising from Google and third-party visitor data. This collected data cannot be attributed to any specific individual person. You can disable this feature at any time by adjusting the ads settings in your Google account or you can forbid the collection of your data by Google Analytics as described in the section "Refusal of data collection".

Our website uses the etracker analytics service. The service is provided by etracker GmbH, Erste Brunnenstraße 1, 20459 Hamburg, Germany. This data can be used to create pseudonymous usage profiles. Cookies may be used for this purpose. Cookies are small text

files stored in your local browser cache. These cookies enable the recognition of your browser. The data collected by the etracker technologies are not used to determine the personal identity of website visitors and are not compiled together with personal data related to the person referred to by the pseudonym unless expressly agreed to by the person concerned.

etracker cookies remain on your device until you delete them.

The storage of etracker cookies is based on Art. 6 (1) (f) GDPR. The website operator has a legitimate interest in analyzing user behavior to optimize both its website and its advertising.

You can object to the collection and storage of your data at any time with future effect. To refuse the collection and storage of your visitor data for the future, you can use the etracker opt-out cookie at the following link. This means that in the future no visitor information will be collected and stored by etracker in your browser:

<https://www.etracker.de/privacy?et=V23Jbb>.

Using this will set an opt-out-cookie called "cntcookie" from etracker. Please do not delete this cookie if you wish your refusal to consent to remain valid. For more information, see the etracker privacy policy: <https://www.etracker.com/de/datenschutz.html>.

Completion of an outsourced data processing contract

We have entered into an agreement with etracker for the outsourcing of our data processing and fully implement the strict requirements of the German data protection authorities when using etracker.

This website uses the WordPress Stats tool to perform statistical analyses of visitor traffic. This service is provided by Automattic Inc., 60 29th Street # 343, San Francisco, CA 94110-4929, USA.

WordPress Stats uses cookies that are stored on your computer and allow an analysis of the use of the website. The information generated by the cookies about the use of our website is stored on servers in the USA. Your IP address will be anonymized after processing and before storage.

WordPress Stats cookies remain on your device until you delete them.

The storage of "WordPress Stats" cookies is based on Art. 6 (1) (f) GDPR. The website operator has a legitimate interest in analyzing user behavior to optimize both its website and its advertising.

You can configure your browser to inform you about the use of cookies so that you can decide on a case-by-case basis whether to accept or reject a cookie. Alternatively, your browser can be configured to automatically accept cookies under certain conditions or to always reject them, or to automatically delete cookies when closing your browser. The functionality of our services may be limited when cookies are disabled.

You can object to the collection and use of your data at any time with future effect by clicking on this link and setting an opt-out cookie in your browser: <https://www.quantcast.com/opt-out/>.

If you delete the cookies on your computer, you will have to set the opt-out cookie again.

Google AdSense

This website uses Google AdSense, a service for including advertisements from Google Inc. ("Google"). It is operated by Google Inc., 1600 Amphitheatre Parkway, Mountain View, CA 94043, USA.

Google AdSense uses so-called "cookies", which are text files stored in your computer that enable an analysis of the way you use the website. Google AdSense also uses so-called web beacons (invisible graphics). Through these web beacons, information such as the visitor traffic on these pages can be evaluated.

The information generated by cookies and web beacons relating to your use of this website (including your IP address), and delivery of advertising formats, is transmitted to a Google server in the US and stored there. This information can be passed on from Google to contracting parties of Google. However, Google will not merge your IP address with other data you have stored.

AdSense cookies are stored based on Art. 6 (1) (f) GDPR. The website operator has a legitimate interest in analyzing user behavior to optimize both its website and its advertising.

You can prevent the installation of cookies by setting your browser software accordingly. Please be aware that in this case, you may not be able to make full use of all the features of this website. By using this website, you agree to the processing of data relating to you and collected by Google as described and for the purposes set out above.

Google Analytics Remarketing

Our websites use the features of Google Analytics Remarketing combined with the cross-device capabilities of Google AdWords and DoubleClick. This service is provided by Google Inc., 1600 Amphitheater Parkway, Mountain View, CA 94043, USA.

This feature makes it possible to link target audiences for promotional marketing created with Google Analytics Remarketing to the cross-device capabilities of Google AdWords and Google DoubleClick. This allows advertising to be displayed based on your personal interests, identified based on your previous usage and surfing behavior on one device (e.g. your mobile phone), on other devices (such as a tablet or computer).

Once you have given your consent, Google will associate your web and app browsing history with your Google Account for this purpose. That way, any device that signs in to your Google Account can use the same personalized promotional messaging.

To support this feature, Google Analytics collects Google-authenticated IDs of users that are temporarily linked to our Google Analytics data to define and create audiences for cross-device ad promotion.

You can permanently opt out of cross-device remarketing/targeting by turning off personalized advertising in your Google Account; follow this link:
<https://www.google.com/settings/ads/onweb/>.

The aggregation of the data collected in your Google Account data is based solely on your consent, which you may give or withdraw from Google per Art. 6 (1) (a) GDPR. For data collection operations not merged into your Google Account (for example, because you do not have a Google Account or have objected to the merge), the collection of data is based on Art. 6 (1) (f) GDPR. The website operator has a legitimate interest in analyzing anonymous user behavior for promotional purposes.

For more information and the Google Privacy Policy, go to:
<https://www.google.com/policies/technologies/ads/>.

Google AdWords and Google Conversion Tracking

This website uses Google AdWords. AdWords is an online advertising program from Google Inc., 1600 Amphitheater Parkway, Mountain View, CA 94043, United States ("Google").

As part of Google AdWords, we use so-called conversion tracking. When you click on an ad served by Google, a conversion tracking cookie is set. Cookies are small text files that your internet browser stores on your computer. These cookies expire after 30 days and are not used for personal identification of the user. Should the user visit certain pages of the website and the cookie has not yet expired, Google and the website can tell that the user clicked on the ad and proceeded to that page.

Each Google AdWords advertiser has a different cookie. Thus, cookies cannot be tracked using the website of an AdWords advertiser. The information obtained using the conversion cookie is used to create conversion statistics for the AdWords advertisers who have opted for conversion tracking. Customers are told the total number of users who clicked on their ad and were redirected to a conversion tracking tag page. However, advertisers do not obtain any information that can be used to personally identify users. If you do not want to participate in tracking, you can opt-out of this by easily disabling the Google Conversion Tracking cookie by changing your browser settings. In doing so, you will not be included in the conversion tracking statistics.

Conversion cookies are stored based on Art. 6 (1) (f) GDPR. The website operator has a legitimate interest in analyzing user behavior to optimize both its website and its advertising.

For more information about Google AdWords and Google Conversion Tracking, see the Google Privacy Policy: <https://www.google.de/policies/privacy/>.

You can configure your browser to inform you about the use of cookies so that you can decide on a case-by-case basis whether to accept or reject a cookie. Alternatively, your browser can be configured to automatically accept cookies under certain conditions or to always reject them, or to automatically delete cookies when closing your browser. Disabling cookies may limit the functionality of this website.

Google reCAPTCHA

We use "Google reCAPTCHA" (hereinafter "reCAPTCHA") on our websites. This service is provided by Google Inc., 1600 Amphitheater Parkway, Mountain View, CA 94043, USA ("Google").

reCAPTCHA is used to check whether the data entered on our website (such as on a contact form) has been entered by a human or by an automated program. To do this, reCAPTCHA analyzes the behavior of the website visitor based on various characteristics. This analysis starts automatically as soon as the website visitor enters the website. For the analysis, reCAPTCHA evaluates various information (e.g. IP address, how long the visitor has been on the website, or mouse movements made by the user). The data collected during the analysis will be forwarded to Google.

The reCAPTCHA analyses take place completely in the background. Website visitors are not advised that such an analysis is taking place.

Data processing is based on Art. 6 (1) (f) GDPR. The website operator has a legitimate interest in protecting its site from abusive automated crawling and spam.

For more information about Google reCAPTCHA and Google's privacy policy, please visit the following links: <https://www.google.com/intl/de/policies/privacy/> and <https://www.google.com/recaptcha/intro/android.html>.

Facebook Pixel

Our website measures conversions using visitor action pixels from Facebook, Facebook Inc., 1601 S. California Ave, Palo Alto, CA 94304, USA ("Facebook").

These allow the behavior of site visitors to be tracked after they click on a Facebook ad to reach the provider's website. This allows an analysis of the effectiveness of Facebook advertisements for statistical and market research purposes and their future optimization.

The data collected is anonymous to us as operators of this website and we cannot use it to draw any conclusions about our users' identities. However, the data are stored and processed by Facebook, which may make a connection to your Facebook profile and which may use the data for its own advertising purposes, as stipulated in the [Facebook privacy policy](#). This will allow Facebook to display ads both on Facebook and on third-party sites. We have no control over how this data is used.

Check out Facebook's privacy policy to learn more about protecting your privacy: <https://www.facebook.com/about/privacy/>.

You can also deactivate the custom audiences remarketing feature in the Ads Settings section at https://www.facebook.com/ads/preferences/?entry_product=ad_settings_screen. You will first need to log into Facebook.

If you do not have a Facebook account, you can opt out of usage-based advertising from Facebook on the website of the European Interactive Digital Advertising Alliance: <http://www.youronlinechoices.com/de/praeferenzmanagement/>.

6. Newsletter

Newsletter data

If you would like to receive our newsletter, we require a valid email address as well as information that allows us to verify that you are the owner of the specified email address and that you agree to receive this newsletter. No additional data is collected or is only collected on a voluntary basis. We only use this data to send the requested information and do not pass it on to third parties.

We will, therefore, process any data you enter onto the contact form only with your consent per Art. 6 (1) (a) GDPR. You can revoke consent to the storage of your data and email address as well as their use for sending the newsletter at any time, e.g. through the "unsubscribe" link in the newsletter. The data processed before we receive your request may still be legally processed.

MailChimp

This website uses the services of MailChimp to send newsletters. This service is provided by Rocket Science Group LLC, 675 Ponce De Leon Ave NE, Suite 5000, Atlanta, GA 30308, USA.

MailChimp is a service which organizes and analyzes the distribution of newsletters. If you provide data (e.g. your email address) to subscribe to our newsletter, it will be stored on MailChimp servers in the USA.

MailChimp is certified under the EU-US Privacy Shield. The Privacy Shield is an agreement between the European Union (EU) and the US to ensure compliance with European privacy standards in the United States.

We use MailChimp to analyze our newsletter campaigns. When you open an email sent by MailChimp, a file included in the email (called a web beacon) connects to MailChimp's servers in the United States. This allows us to determine if a newsletter message has been opened and which links you click on. In addition, technical information is collected (e.g. time of retrieval, IP address, browser type, and operating system). This information cannot be assigned to a specific recipient. It is used exclusively for the statistical analysis of our newsletter campaigns. The results of these analyses can be used to better tailor future newsletters to your interests.

If you do not want your usage of the newsletter to be analyzed by MailChimp, you will have to unsubscribe from the newsletter. For this purpose, we provide a link in every newsletter we send. You can also unsubscribe from the newsletter directly on the website.

Data processing is based on Art. 6 (1) (a) GDPR. You may revoke your consent at any time by unsubscribing to the newsletter. The data processed before we receive your request may still be legally processed.

The data provided when registering for the newsletter will be used to distribute the newsletter until you cancel your subscription when said data will be deleted from our servers and those of MailChimp. Data we have stored for other purposes (e.g. email addresses for the members area) remains unaffected.

For details, see the MailChimp privacy policy at <https://mailchimp.com/legal/terms/>.

Completion of a data processing agreement

We have entered into a data processing agreement with MailChimp, in which we require MailChimp to protect the data of our customers and not to disclose said data to third parties.
